Romans 10:15a – “And how shall they preach, except they be sent?”

Dear Friends,

Praise Items

1. The ministry of the NT local churches around the world
2. Souls being saved and baptized in our churches
3. Spiritual growth among the believers
4. God’s continual provision for all our needs

It has been a blessing to see the presence of God leading in all our local church ministries in India and Kenya, Africa. Starting new churches and building the body of the local church is a real challenge on the mission field; and, I suppose, on any field. The NT local church is God’s program to reach people with the love of Christ and to bring them into the family of God. No wonder the devil goes all-out to hinder and even destroy the work of the NT church!

It is our desire –as the Lord leads –to enter a new city to begin another local church. It is the greatest need, not only in India, but all around the world. We are so thankful to the Lord for all our supporters who believe in the ministry of the NT local church and make it possible for us to accomplish the will of God.

Our churches in India, as well as the ones in Kenya, Africa, continue to see souls saved and the saved disciplined to help in the ongoing work of the NT local church. Every Sunday since the beginning of the year, we have seen many new visitors in all our churches. One Sunday at Faith Church in Agra, we had as many as 27 first-time visitors. They come to our church and then leave with the seed of the Gospel planted in their hearts. Many come to the saving knowledge of the Lord Jesus Christ in the days following. We have baptized many already this year; and for all this, we give glory to our God.

Please visit our website where you will find pictures of our ongoing local church ministries, some prayer requests, praise items, and contact information. (www.faithchurchindia.org) In the next newsletter, we will be sharing ways you may opt to receive this newsletter by email, so please be looking for that information in the near future.

It is through prayer and the support of friends like you that this ministry is possible. We thank you for being a source of encouragement to us as we labor together for our Lord. God bless you.

To God be the glory!
